| PREFACE .....   | V        |
| TABLE OF CASES .....  | XVII     |
| <b>Chapter 1. Introduction to Ethics .....</b>                            | <b>1</b> |
| I. Ethical Theories .....   | 1        |
| A. Utilitarianism.....  | 1        |
| B. Deontological Theories.....  | 3        |
| 1. Kantianism.....  | 3        |
| 2. Natural Law .....  | 4        |
| II. Applied Ethics.....   | 6        |
| A. Principlism.....   | 6        |
| B. Feminist Bioethics .....   | 8        |
| C. Critical Race Theory and Bioethics.....                                | 9        |
| D. Disability Theory and Bioethics .....                                  | 10       |
| E. Religious Perspectives in Bioethics.....                               | 11       |
| F. Virtue Ethics .....  | 13       |
| G. Methodological Approaches .....  | 14       |
| 1. Casuistry .....  | 14       |
| 2. Pragmatism .....   | 14       |
| 3. Narrative Bioethics.....   | 14       |
| III. Distributive Justice .....   | 15       |
| IV. The Relationship of Law and Ethics .....                              | 17       |
| A. Generally .....  | 17       |
| B. Conflicts of Conscience and Law .....                                  | 19       |
| C. Informed Consent: Law's Imperfect<br>Interseccion with Bioethics ..... | 24       |

|   |           |
|---|-----------|
| <b>Chapter 2. Human Reproduction</b> .....  | <b>27</b> |
| I. Defining a Human Being—Ethics and Law .....  | 27        |
| A. Introduction .....   | 27        |
| B. Legal Recognition of Human Life.....   | 31        |
| II. Contraception .....   | 33        |
| A. The Constitutional Right to Access to Contraception .....                            | 33        |
| B. The Blurry Distinction Between Contraception and Abortion .....                      | 34        |
| C. Coverage of Contraception Under the Affordable Care Act.....                         | 36        |
| III. Abortion.....  | 42        |
| A. Introduction.....  | 42        |
| B. <i>Roe v. Wade</i> .....   | 44        |
| C. <i>Planned Parenthood of Southeastern Pennsylvania v. Casey</i> .....                | 48        |
| D. <i>Gonzales v. Carhart</i> .....   | 51        |
| E. <i>Whole Woman’s Health v. Hellerstedt</i> .....                                     | 53        |
| F. The Future of Abortion .....   | 55        |
| IV. Potential Fetal-Maternal Conflict .....   | 56        |
| V. Assisted Reproductive Technologies (ART) and Their Legal Consequences.....           | 63        |
| A. Introduction: The Process of Reproduction.....                                       | 63        |
| B. The Legal Questions .....  | 67        |
| 1. Artificial Insemination, In Vitro Fertilization, and the Question of Parentage ..... | 68        |
| 2. The Question of the Status of “Extra” Fertilized Ova.....                            | 76        |
| 3. Surrogacy.....   | 80        |
| 4. ART and the Law of Marriage .....  | 88        |

|  |            |
|--|------------|
| C. Cloning.....  | 89         |
| <b>Chapter 3. Genetics .....</b>   | <b>95</b>  |
| I. Introduction .....  | 95         |
| A. The Nature of Genetic Information .....                                       | 95         |
| B. Legal History of Genetics .....   | 98         |
| II. Definitional Issues.....   | 99         |
| A. Genetics and Illness.....   | 99         |
| B. Statutory Definitions of Genetic Information.....                             | 101        |
| III. Legal Claims Relating to Confidentiality, Privacy, and Discrimination ..... | 103        |
| A. Confidentiality and Privacy.....  | 103        |
| 1. Confidentiality .....   | 103        |
| 2. Privacy .....   | 105        |
| B. Discrimination.....   | 105        |
| 1. Discrimination in Insurance .....   | 106        |
| 2. Discrimination in Employment.....   | 107        |
| IV. Mandatory Newborn Genetic Screening .....                                    | 108        |
| A. Background.....   | 108        |
| B. State Authority.....  | 109        |
| C. Parental Consent.....   | 110        |
| D. Benefits and Risks .....  | 110        |
| E. Retention of Samples .....  | 111        |
| <b>Chapter 4. Legal Standards for the Determination of Death .....</b>           | <b>113</b> |
| I. Introduction .....  | 113        |
| II. Current Legal Standards .....  | 114        |
| A. Irreversible Cessation of Cardiopulmonary Function .....                      | 115        |
| B. Irreversible Cessation of All Brain Function .....                            | 116        |
| C. Accommodation of Individual Beliefs .....                                     | 118        |

|  |     |
|--|-----|
| D. Organ Donation After Circulatory<br>Determination of Death .....            | 119 |
| III. Proposals for Expanding Standards for the<br>Determination of Death ..... | 123 |
| A. “Higher” Brain Death .....  | 123 |
| B. Brain Absence.....  | 124 |

**Chapter 5. Decisions Regarding Life-  
Sustaining Treatment..... 125**

|  |     |
|--|-----|
| I. The U.S. Constitution and the “Right to<br>Die”—The <i>Cruzan</i> Case .....            | 125 |
| II. Competent Patients.....  | 129 |
| A. The General Rule: The Patient<br>Decides .....  | 129 |
| B. Countervailing State Interests.....   | 131 |
| 1. Preservation of Life.....   | 131 |
| 2. Protection of Innocent Third<br>Parties.....  | 132 |
| 3. Prevention of Suicide .....   | 133 |
| 4. Maintenance of the Ethical Integrity<br>of the Medical Profession.....                  | 134 |
| 5. Special Circumstances.....  | 135 |
| III. Determining Competency .....  | 136 |
| A. Generally .....   | 136 |
| B. President’s Commission Standards .....  | 138 |
| IV. Incompetent Patients .....   | 142 |
| A. Introduction and General Principles:<br>Substituted Judgment and Best<br>Interests..... | 142 |
| B. Advance Directives and Family Consent<br>Laws .....                                     | 145 |
| 1. The Rise of Living Wills.....   | 146 |
| 2. The Next Step: Durable Powers of<br>Attorney for Health Care.....                       | 148 |

|      |   |            |
|------|---|------------|
| 3.   | The Development of the Uniform Health-Care Decisions Act .....                                | 150        |
| 4.   | Family Consent Statutes .....   | 152        |
| 5.   | POLST: Physician’s Orders for Life-Sustaining Treatment.....                                  | 155        |
| C.   | Making Decisions Concerning Life-Sustaining Treatment When There Is No Advance Directive..... | 157        |
| V.   | Never-Competent Adults and the “Right to Die” .....   | 161        |
| VI.  | Children, Newborns, and the “Right to Die” .....  | 164        |
| A.   | Making Decisions for Children.....  | 164        |
| B.   | Newborns and the “Right to Die” .....   | 170        |
| VII. | Futility .....  | 172        |
|      | <b>Chapter 6. Aid in Dying.....</b>   | <b>179</b> |
| I.   | Introduction—And a Word on Terminology .....  | 179        |
| II.  | Constitutional Background.....  | 181        |
| III. | State Legislative Developments and the Public Debate.....                                     | 187        |
| IV.  | The International Debate .....  | 194        |
|      | <b>Chapter 7. Organ Transplantation.....</b>  | <b>199</b> |
| I.   | Introduction .....  | 199        |
| II.  | The Supply of Human Organs for Transplantation.....   | 200        |
| A.   | The Uniform Anatomical Gift Act (UAGA) .....  | 201        |
| 1.   | Structure of the UAGA .....   | 201        |
| 2.   | Pre-Mortem Document of Gift.....  | 202        |
| 3.   | Post-Mortem Donation .....  | 203        |
| 4.   | Immunity.....   | 204        |

|  |            |
|--|------------|
| 5. Designated Donation .....   | 204        |
| B. Presumed Consent .....  | 205        |
| 1. Statutory Provisions .....  | 205        |
| 2. Constitutional Challenges to<br>Presumed Consent .....              | 206        |
| C. Payment for Organs .....  | 207        |
| 1. Statutory Restrictions .....  | 207        |
| 2. Proposals to Allow Payments for<br>Organs .....                     | 209        |
| D. Living Donors .....   | 211        |
| 1. Competent Donors .....  | 211        |
| 2. Incompetent Donors.....   | 212        |
| E. Determination of Death .....  | 212        |
| III. Distribution of Organs for<br>Transplantation.....                | 213        |
| A. Federal Law on Organ Distribution.....                              | 214        |
| B. Listing Patients .....  | 215        |
| C. Geographic Distribution of Organs .....                             | 217        |
| D. Organ Matching .....  | 217        |
| E. Designated Donees.....  | 219        |
| 1. Campaigning for Organs .....  | 219        |
| 2. Paired Donations.....   | 220        |
| 3. LifeSharers .....   | 220        |
| <b>Chapter 8. Regulation of Research with<br/>Human Subjects .....</b> | <b>223</b> |
| I. Introduction .....  | 223        |
| II. Sources of Legal Standards Governing<br>Research.....              | 226        |
| A. State Legislation .....   | 226        |
| B. Common Law.....   | 227        |
| C. Private Organizations.....  | 228        |
| D. International Standards .....                                       | 229        |

|      |  |     |
|------|--|-----|
| III. | The Federal Regulations .....                              | 229 |
| A.   | The Common Rule .....                                      | 229 |
| B.   | Scope of the Common Rule .....                             | 231 |
| 1.   | Covered Entities.....                                      | 231 |
| 2.   | Definition of Research .....                               | 232 |
| a.   | Clinical Innovation .....                                  | 233 |
| b.   | Quality Improvement Studies.....                           | 234 |
| 3.   | Human Subjects .....                                       | 235 |
| a.   | Definition.....  | 235 |
| b.   | Human Tissue and Medical<br>Records .....                  | 235 |
| C.   | Institutional Review Boards.....                           | 237 |
| 1.   | IRB Composition .....                                      | 238 |
| 2.   | IRB Duties and Authority .....                             | 239 |
| D.   | Governmental Oversight .....                               | 240 |
| IV.  | Substantive Federal Standards.....                         | 241 |
| A.   | Risk and Safety .....                                      | 242 |
| B.   | Consent .....  | 244 |
| 1.   | Coercion and Undue Influence.....                          | 245 |
| 2.   | No Consent and Proxy Consent .....                         | 247 |
| C.   | Selection of Subjects.....                                 | 248 |
| 1.   | Children.....  | 248 |
| 2.   | Mentally Incapacitated Adults.....                         | 252 |
| 3.   | Prisoners.....   | 253 |
| 4.   | Fetuses.....   | 254 |
| V.   | Commercial Interests in Research .....                     | 255 |
| A.   | Industry Sponsorship of Research .....                     | 257 |
| 1.   | Industry Payment Practices in<br>Research .....            | 258 |
| 2.   | Industry Research, Marketing, and<br>Phase IV Trials ..... | 259 |
| B.   | Ownership of the Results of Research .....                 | 260 |
| 1.   | Researcher Ownership Interests .....                       | 260 |

|  |     |
|--|-----|
| 2. Research Subjects' Claims of<br>Ownership Interests ..... | 262 |
| C. Regulation of Financial Interests of<br>Researchers ..... | 264 |
| VI. International Research .....                             | 267 |

### **Chapter 9. Public Health and Bioethics..... 271**

|   |     |
|---|-----|
| I. What Is "Public Health"?                                       | 272 |
| II. Public Health and the Law .....                               | 273 |
| III. Reframing Ethics for Public Health .....                     | 275 |
| A. Philosophical Ethics and Public<br>Health .....                | 275 |
| 1. Bioethical Principlism .....                                   | 276 |
| 2. Human Rights Theory .....                                      | 277 |
| 3. Communitarian Ethics .....                                     | 277 |
| 4. Health Justice .....   | 278 |
| B. Professional Code of Ethics for Public<br>Health .....         | 278 |
| C. Autonomy, Police Power, and Population<br>Health .....         | 280 |
| IV. Traditional Public Health: Infectious<br>Disease Control..... | 285 |
| A. Surveillance .....   | 286 |
| B. Vaccination .....  | 288 |
| C. Quarantine, Isolation and Confinement<br>for Treatment .....   | 289 |
| V. New Public Health: Non-Communicable<br>Disease Control.....    | 293 |

### **Chapter 10. Distributive Justice and Healthcare Reform..... 299**

|  |     |
|--|-----|
| I. Introduction .....                        | 299 |
| II. Access to Health Insurance .....         | 300 |
| A. Health Insurance in the United States ... | 300 |

|           |                                       |     |
|-----------|---------------------------------------|-----|
| B.        | Expansion of Access to Health         |     |
| Insurance | .....                                 | 302 |
| C.        | The Debate.....                       | 304 |
| III.      | Cost of Health Care.....              | 305 |
| A.        | United States Health Care Costs.....  | 305 |
| B.        | Cost Containment.....                 | 306 |
| C.        | The Ethics of Cost Containment.....   | 307 |
| IV.       | Discrimination and Health Care.....   | 308 |
| A.        | Federal Anti-Discrimination Laws..... | 309 |
| B.        | ACA: Section 1557.....                | 312 |
| V.        | Health Disparities.....               | 313 |
| VI.       | Beyond Health Care.....               | 315 |
|           | INDEX.....                            | 317 |
