4. The Public Trust Doctrine.....	75
C. Statutory and Regulatory Access	
Requirements .....	79
D. The Nature of a Public Easement.....	82
E. Public Beach Access and Takings	
Jurisprudence.....	85
1. Protection of Existing Public Beach	
Access.....	85
2. Beach Access Conditions on Development	
Permits .....	88
<b>Chapter III. Management Framework for</b>	
<b>Ocean and Coastal Resources.....</b>	<b>91</b>
A. Federal and State Boundaries in the Coastal	
Oceans.....	91
1. The Tidelands Controversy .....	91
2. The Submerged Lands Act .....	95
a. Extent of State Ocean Ownership and	
Boundaries Under the SLA.....	96
b. Boundary Issues Raised by the SLA .....	98
c. Lingering Issues Raised by Extension	
of the U.S. Territorial Sea.....	100
B. Coastal Zone Management .....	101
1. The Coastal Zone Management Act and	
Related Legislation .....	101
2. Development and Approval of State CZM	
Programs .....	107
3. Operation of the CZMA .....	112
a. Program Approaches .....	112
b. Coastal Zone Boundaries .....	113
c. The CZMA and the Commerce	
Clause.....	116

4. Intergovernmental Cooperation and the CZMA—the Federal Consistency Requirement.....	117
a. Evolution of the Consistency Requirement .....	117
(1) The Limiting Effect of Secretary of the Interior v. California .....	118
(2) Revitalizing the Consistency Requirement.....	121
b. Limitations on State Consistency Review .....	123
c. What Is a Federal Agency Action? .....	124
d. Effects Triggering Consistency Review .....	126
e. Interstate Consistency .....	128
f. Federal License or Permit.....	131
g. Maximum Extent Practicable .....	132
h. “Positive” Consistency .....	133
i. Appealing Consistency Determinations .....	135
<b>Chapter IV. Management and Regulation of Coastal Development .....</b>	<b>141</b>
A. Limiting Infrastructure Funding and Other Subsidization of Coastal Development.....	142
1. NFIP: Subsidizing Coastal Growth?.....	142
2. The Coastal Barrier Resources Act .....	145
3. Government Flood Control Projects .....	146
B. Coastal Construction Regulation .....	148
1. Setback Lines .....	149
a. Evolution of Setback Line Requirements.....	149

b. Setbacks and Existing Development.....	153
2. Building Codes.....	155
C. Beach Erosion, Sea Level Rise, and Shoreline Protection .....	156
1. Beach Restoration.....	157
a. The Pros and Cons of Restoration .....	157
b. Challenges to Beach Restoration.....	158
2. Structural Armoring .....	160
a. Solution or Source of Additional Problems?.....	160
b. Can/Should Seawalls Be Prohibited? ....	161
(1) Do Owners Have a Right to Protect Property from Erosion?.....	161
(2) The Common Enemy Doctrine .....	164
3. Retreat.....	166
D. Protecting Coastal Wetlands.....	168
1. An Overview of CWA § 404 Permitting.....	169
a. CWA § 404 Jurisdiction—Navigable Waters .....	169
b. What Is a “Discharge”?.....	170
c. Exemptions .....	172
d. Individual and General Permits.....	172
e. Criteria for Permits .....	173
2. NWP 13, Seawalls and Wetlands Adaptation to SLR .....	174
3. Coastal Wetlands and the States.....	175
E. Coastal Management and the Takings Issue .....	177
1. An Overview of the Takings Issue .....	177
2. Coastal Construction Regulation.....	181
3. Wetlands Regulation .....	188
4. The Spectre of Judicial Takings.....	191

5. A New Take on Takings: Fourth Amendment “Seizure” of Property .....	194
<b>Chapter V. Ocean Energy and Marine Minerals Management .....</b>	<b>197</b>
A. Oil and Gas Development on the Outer Continental Shelf .....	197
1. Overview of the OCSLA .....	197
2. The OCSLA Leasing and Development Program .....	201
a. The Five-Year Lease Program .....	201
b. The Lease Sale .....	207
(1) The Lease Sale Process .....	207
(2) The Nature of a Lease: Property or Contract? .....	209
(3) Lease Suspension and Cancellation .....	211
(4) Lease Sales and CZMA Consistency .....	212
(5) Legal Challenges to Environmental Impacts of Lease Sales .....	212
(6) Conflicts with Fisheries .....	218
(7) Conflicts with Aboriginal Rights .....	219
c. Exploration Plans .....	223
(1) NEPA Review .....	224
(2) ESA Biological Opinion and Consultation .....	225
(3) CZMA Consistency Review .....	227
d. Development/Production Plans .....	228
e. Decommissioning .....	229
3. OCS Revenue Sharing .....	231
B. Ocean Renewable Energy .....	234

1. Ocean Wind Energy (OWE) .....	234
2. Wave, Tidal and Thermal Energy .....	240
C. Marine Minerals Mining .....	243
1. OCS Non-Energy Mineral Mining .....	243
2. Deep Seabed Hard Mineral Resources .....	247
 <b>Chapter VI. Oil Pollution, Oil Spill Liability and the Deepwater Horizon.....</b> 251	
A. Introduction.....	251
B. Oil Pollution and Oil Spills .....	252
1. Prohibitions and Enforcement Under CWA Section 311 .....	253
a. Prohibition of the Discharge of Oil in Navigable Waters of the United States.....	253
b. What Are Harmful Quantities of Oil?.....	254
c. The Spill Reporting Requirement.....	255
d. Civil Penalties Under CWA § 311 .....	257
e. Criminal Penalties Under CWA § 311 .....	259
2. Pollution Prevention and Spill Response ...	261
a. OPA Safety, Equipment and Construction Standards .....	262
b. Oil Well Safety After the <i>Deepwater Horizon</i> .....	264
c. The Oil Spill Cleanup Response Under OPA .....	264
C. The <i>Deepwater Horizon</i> Litigation: Liability for Cleanup Costs and Damages .....	268
1. Traditional Maritime Tort and Common Law Remedies .....	269

a.	Admiralty Jurisdiction and the Maritime Nexus .....	269
b.	Courts and Jurisdiction.....	271
c.	Limitations of Liability Under Maritime Law .....	272
2.	The Oil Pollution Act of 1990 .....	273

(1)	In General.....	279
(2)	Damages for Private Claimants .....	279
(3)	Relation of OPA to Punitive Damages .....	283
(4)	Damages in Foreign Waters .....	283
(5)	OPA's Natural Resources Damages .....	284
(6)	The Oil Spill Liability Trust Fund.....	287
3.	What Law? .....	288
4.	The Culmination of the <i>Deepwater Horizon</i> Litigation.....	291
a.	Cognizable Claims and Eligible Plaintiffs.....	291
b.	Causation and Economic Damages .....	293
c.	Findings of Fault .....	295
d.	Comparative Fault Under General Maritime Law .....	296

e. Transocean and the Limitation of Liability Act .....	297
f. BP and OPA's Liability Cap.....	297
g. Punitive Damages .....	298
h. The Major Settlement Agreements .....	299
i. Natural Resource Damages .....	301
j. BP's Civil Liability .....	301
k. BP's Criminal Liability .....	302
<b>Chapter VII. Pollution and the Marine Environment .....</b>	<b>305</b>
A. Introduction.....	305
B. The UNCLOS Framework of Responsibilities for the Marine Environment .....	305
1. Obligations in Regard to Marine Pollution .....	306
2. Pollution from Deep Seabed Mining.....	307
C. The International Regime for Oil Pollution and Oil Spills.....	310
1. International Response to the <i>Torrey Canyon</i> .....	311
2. MARPOL 73/78 .....	313
3. MARPOL Reporting Requirements as an Enforcement Mechanism.....	315
4. UNCLOS, MARPOL and Port State Controls .....	316
5. The Cartagena Convention .....	318
6. MARPOL: Beyond Oil Pollution .....	318
D. Ocean Dumping.....	319
1. The London Convention .....	319
2. The 1996 Protocol to the London Convention .....	320
3. Ocean Carbon Sequestration: Dumping? .....	321

4. The U.S. Ocean Dumping Act .....	322
a. ODA Definition of Dumping .....	323
b. Administration and Permitting Under the ODA.....	323
c. Comparison of Jurisdiction Under the ODA and CWA § 404 .....	325
d. Dumping of Industrial Waste and Sewage.....	327
e. Ocean Incineration .....	328
E. Persistent Marine Debris—Plastics.....	329
1. Plastics and MARPOL Annex V .....	330
a. MARPOL Annex V.....	330
b. U.S. Implementation of Annex V: The Marine Plastic Pollution Research and Control Act .....	331
c. Enforcement of the MPPRCA .....	332
2. Land-Based Plastics Pollution .....	333
F. Point Source Discharges from Land and Offshore Facilities .....	335
G. Pollution from Other Land-Based Activities .....	338
H. Air Pollution and the Seas.....	342
1. Pollution from Ocean Vessels .....	342
2. Ocean Acidification .....	343
<b>Chapter VIII. Protection of Special Marine     Areas and Marine Cultural Heritage .....</b>	<b>345</b>
A. Management and Protection of Special Marine Areas .....	345
1. National Marine Sanctuaries.....	345
2. Marine National Monuments.....	350
3. Other Marine Protected Areas.....	353

B. Preservation of Underwater Cultural Heritage and Admiralty Law Conflict .....	356
1. Background .....	356
2. Admiralty Law and Historic Shipwrecks ...	357
a. Federal Claims to Shipwrecks .....	357
b. Jurisdictional Conflict in State Waters .....	358
c. Fundamentals of Salvage Law .....	359
d. Salvage Law v. the Law of Finds.....	360
3. Salvage and Historic Preservation .....	363
4. Salvage and Environmental Protection ....	364
5. The Abandoned Shipwreck Act (ASA).....	365
a. Meaning of “Abandoned” in the ASA ...	367
b. Embeddedness .....	369
c. State Claims and the Eleventh Amendment.....	371
d. The ASA and State Law Preemption ....	372
6. International Aspects of U.S. Salvage and Marine Cultural Heritage Law .....	372
a. The Need for Uniformity and Consistency .....	372
b. Salvage and Sovereign Vessels.....	374

<b>Chapter IX. Fisheries Management: State, National and Foreign waters.....</b>	<b>377</b>
A. State Fisheries Management .....	377
B. Federal Fisheries Management .....	379
1. Regional Fishery Management Councils ...	382
2. Fisheries Management Plans .....	387
3. Individual Fishing Quotas and Limited Access Privilege Programs .....	397
4. Foreign Fishing in the U.S. EEZ .....	403

5. State Management After Enactment of the MSA.....	405
a. Interpretation of “Registered”.....	406
b. Meaning of “Consistent” .....	409
c. Federal Preemption.....	410
d. Enforcement Issues .....	413
C. United States and International Fisheries Law .....	414
1. Illegal, Unreported, and Unregulated Fishing.....	415
a. U.S. Response to IUU Fishing .....	416
b. Future Challenges to Control of IUU Fishing.....	420
2. The Problem of Straddling Stocks and “Donut Holes”: The Bering Sea Pollock.....	422
3. U.S. Participation in Regional Fisheries Management Organizations.....	423

<b>Chapter X. Preserving the Biodiversity of the Seas .....</b>	<b>427</b>
A. The Marine Mammal Protection Act .....	427
1. The Moratorium and Its Limitations .....	429
a. Moratorium Waiver.....	430
b. Exception to the Moratorium for Scientific Research, Public Display, or Enhancing Survival and Recovery of a Species of Stock.....	430
(1) Scientific Research Permits.....	430
(2) Public Display .....	431
(3) Regulation of Marine Mammals in Captivity and Swim-with-Dolphin Programs.....	433
(4) Feeding Dolphins in the Wild.....	434

	(5) Rehabilitation Facilities .....	434
c.	Exceptions to the Moratorium for Incidental Take in Commercial Fishing Operations and Take Reduction Plans .....	435
d.	Deterring Marine Mammal Interference and Damage.....	441
e.	Exceptions to the Moratorium for Certain Other Incidental Activities.....	442
f.	Exemption from the Moratorium for Coastal Alaska Natives .....	447
2.	MMPA Pre-Emption .....	449
3.	Penalties.....	450
4.	The Dolphins' Tale.....	450
a.	WTO Case <i>Mexico v. United States</i> (GATT I Tuna/Dolphin Under the MMPA) .....	451

c.	International Dolphin Conservation Act.....	455
d.	The Panama Declaration .....	455
e.	International Dolphin Conservation Program Act .....	456
f.	WTO Case <i>Mexico v. United States</i> (Dolphin-Safe Labeling Under the Dolphin Protection Consumer Information Act) .....	458
g.	Class Action on "Dolphin-Safe" Tuna....	460
h.	MMPA and Dolphins/Porpoises .....	460

B. Whales and Whaling .....	461
1. Background .....	461
2. The 1946 International Whaling Convention .....	463
a. Governance Under the Whaling Convention .....	464
b. Moratoria and Sanctuaries .....	465
c. Taking Whales for Scientific Research .....	466
d. Subsistence Whaling .....	467
e. Implementation and Enforcement .....	468
3. United States Enforcement of the International Whaling Convention .....	469
a. Pelly Amendment .....	469
b. Packwood Amendment .....	470
c. <i>Japan Whaling Ass'n v. American Cetacean Society</i> .....	472
d. Other United States Actions to Protect Whales .....	474
C. The Endangered Species Act .....	475
1. Endangered and Threatened .....	476
2. Prohibition on Take .....	478
3. Penalties .....	479
4. Designation of Critical Habitat .....	479
5. Exceptions to Taking Prohibition .....	480
a. Scientific Purposes, Enhancement of Survival and Self-Defense .....	480
b. Exception for Taking of Endangered or Threatened Species by Native Alaskans .....	481
c. Exception for Antique Articles and Pre-ESA Parts .....	482
d. Exception for Incidental Take .....	482

6. Federal Consultations .....	484
7. Sea Turtles .....	486
a. U.S. Protection of Sea Turtles .....	486
b. WTO Case: Import Prohibition of Certain Shrimp and Shrimp Products (Shrimp/ Turtle).....	488
c. U.S. Involvement in International Migratory Turtle Protection.....	491
d. U.S. Courts Cases Supporting Additional Sea Turtle Protection.....	492
 <b>Chapter XI. The United Nations Convention on the Law of the Sea (UNCLOS) and the United States .....</b> 495	
A. The Historical Context of UNCLOS .....	495
B. The Territorial Sea, Contiguous Zone, and Archipelagic Waters.....	504
1. Creating Territorial Sea Baselines.....	506
a. Straight Baselines .....	508
b. Bays .....	511
c. Islands .....	513
d. The Question of Ambulatory Baselines .....	515
2. Contiguous Zone .....	516
3. Archipelagic States and Waters.....	516
4. United States Territorial Sea and Contiguous Zone .....	518
a. Innocent Passage .....	519
b. Military Vessels and Innocent Passage.....	522
c. International Straits and Transit Passage.....	524

d. Transit Through Archipelagic Waters .....	525
e. The Right of Hot Pursuit.....	526
f. Freedom of Navigation Operations .....	527
C. The Continental Shelf.....	528
1. Legal Nature of the Continental Shelf.....	529
2. Geographic Scope of Continental Shelf .....	530
D. Exclusive Economic Zone.....	534
1. EEZ Rights .....	536
2. Transboundary Fisheries and the UN Fish Stock Agreement .....	537
a. The UN Fish Stocks Agreement .....	537
b. Expansion of Fishery Management Concepts .....	538
c. Enforcement of the Fish Stocks Agreement.....	541
E. The High Seas .....	542
1. Rights and Duties on the High Seas.....	542
2. United States and the Legal Meaning of the “High Seas” .....	547
3. Negotiations for an Instrument to Manage “Biodiversity Beyond National Jurisdiction” .....	549
F. Deep Seabed and the International Seabed Area.....	550
1. The International Seabed Regime of UNCLOS .....	551
2. The United States Objections and the Implementing Agreement .....	552
3. Work of the International Seabed Authority .....	555
G. United States and the Arctic.....	556

H. Maritime Boundary Delimitation .....	560
1. International Practices.....	560
a. Territorial Seas.....	560
b. Exclusive Economic Zone and Continental Shelf.....	560
2. United States Maritime Boundaries .....	564
I. Marine Scientific Research.....	568
J. Dispute Resolution.....	575
1. International Tribunal for the Law of the Sea .....	576
2. International Court of Justice .....	578
3. Annex VII Tribunals.....	580
4. Annex VIII Tribunals .....	581
5. Exceptions to Compulsory Dispute Settlement.....	582
a. Exceptions Under UNCLOS Article 297–298 .....	582
b. Compulsory Conciliation Option .....	583
<b>Chapter XII. The Future of United States Ocean and Coastal Policy in a Changing Climate .....</b>	<b>585</b>
A. Climate Change and the Oceans.....	585
1. Gradual Sea Level Rise and Severe Storm Surge.....	586
2. Warming Oceans.....	588
3. Acidification .....	589
B. U.S. Ocean Policy and Climate Change .....	590
1. A National Ocean Policy for the U.S. ....	590
2. End of the Comprehensive U.S. National Ocean Policy for the U.S.....	594
3. Climate Change and Acidification .....	598
