- Great!
- There was a lot of stuff to do and I'm not the smartest so it took me a long time. Not sure how long I was supposed to spend on each of those homeworks.
- The course was very in depth.

13 - 13. What, if anything, would you want changed in this course?

Rory Bahadur

Response Rate	6/6 (100%)
----------------------	------------

- Nothing!
- My only critique is that sometimes, for the asynchronous classes, the questions on the handouts were a little vague, and this made them difficult to answer.
- Being due at midnight was hard for me because my greatest thoughts come at like 2 in the morning
- Nothing

- This was the best class I had this semester. They preclass worksheets helped so much. I think this should be implemented in every class.
- Professor Bahadur is a master at teaching over Zoom, and I've even heard other teachers praise his work! I always feel like I learn a lot in a Bahadur class, and I signed up for this one specifically because he was teaching it. He is certainly one of the best teachers at Washburn!
- Learned more in this class than most pre-COVID in person classes because I had to turn something in before each class. Also since you would call us out in class about our answers it kept me from writing a bunch of BS just to get points. Good idea to do asynchronous after wrongful death because that hurt my brain.
